ABOUT CNLU

Chanakya National Law University (CNLU) was established in the year 2006 with an altruistic aspiration of serving society by disseminating high quality legal education and legal awareness. CNLU has garnered a pan-India reputation as a stellar institution for legal research and education. CNLU strives to provide opportunities for students and research scholars to enhance their knowledge, practical nuances and research skills through conferences, capacity building series, guest lectures on contemporary issues revolving in collaboration with Central & State Statutory Bodies, Think Tanks and Research Centres, other National and State Educational Institutions, Law Firms, Trade Association, among others. These academic and legal discourse on contemporary, relevant topics is one of the essential aspects of learning to attain proficiency in the legal field.

ABOUT CARCIL

The Centre for Advanced Research on Corporate and Insolvency Laws (CARCIL) is a Centre of Excellence to facilitate the highest standards of research in Corporate Law, Governance, Insolvency, and Allied Laws in India. The Centre aims to provide a platform to carry out research projects, organise academic workshops, lectures, and conferences, conduct faculty development programs etc., and work towards the advancement of Corporate and Insolvency Laws in India. CARCIL is committed to fostering an environment that encourages intellectual curiosity, critical thinking, and innovative ideas.

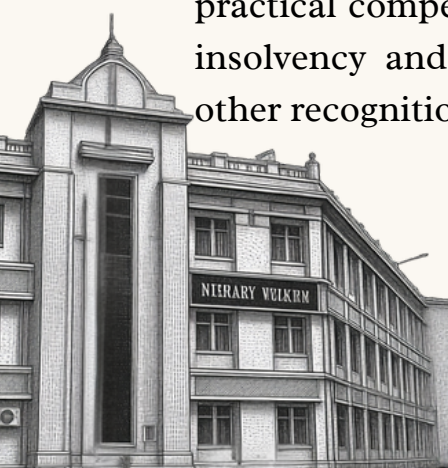

ABOUT 4TH CCNCSC

The **CNLU-CARCIL National CIRP Simulation Competition** is a practice-oriented initiative aimed at equipping participants with essential insolvency resolution, commercial, and strategic decision-making skills within the evolving insolvency and restructuring landscape. The Competition is designed to simulate **real-world Corporate Insolvency Resolution Process** proceedings under the Insolvency and Bankruptcy framework.

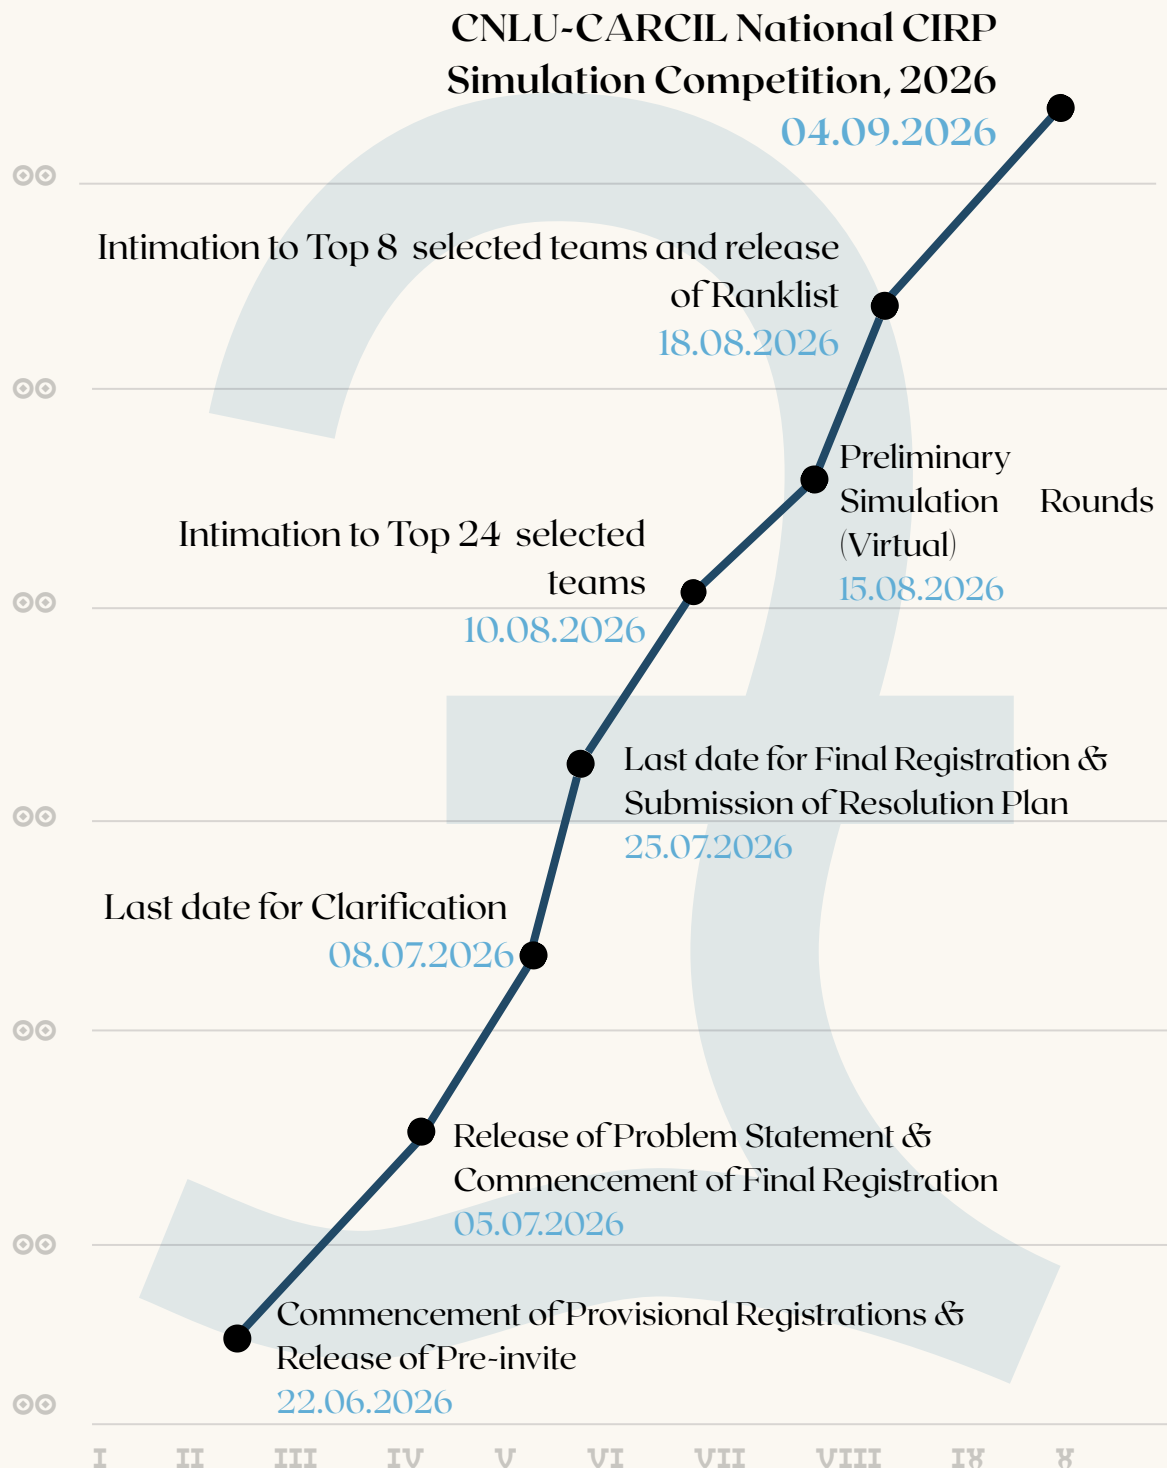

The Competition will be conducted in a **three-stage format**. In the first stage, teams will be required to submit a Resolution Plan within the prescribed timeline. Teams are required to register with an initial fee. Based on evaluation, the **top 24 teams** will qualify for the second stage, which will consist of virtual simulation rounds.

The **top 8 teams** will advance to the final stage, to be held on campus, where participants will engage in advanced simulation rounds involving complex, real-world inspired insolvency and restructuring scenarios. Selected teams will be required to complete further registration for the advanced rounds. The offline rounds are scheduled for 04th September 2026.

By focusing on experiential learning, the Competition aims to develop practical competencies and prepare participants for the demands of modern insolvency and restructuring practice. **Prizes** will be awarded, along with other recognitions.
